As new members join NMDA, we update the contact sheet on the NMDA website. We have a NEW distributor member: OBR Oil and Marine, they are eligible for meetings on Tuesday. If a manufacturer calls and says they are a member, and are not on your original sheet, you can confirm their status on the NMDA website. *Manufacturers that have recently joined NMDA are: Weego(Paris Corp.)*

Registration updates will be posted on the NMDA website regularly; please go to www.nmdaonline.com for current listings of registered attendees. Hotel confirmation numbers will NOT be available until early July; as soon as they are received from the hotel Kathy will email them out to you.
